

**Do you have a Bernese Mountain Dog that will be seven (7) years or  
at the time of our Regional Specialty?**

We would like to honour our canine veterans  
and have been planning a celebration!

Directly after the Sweepstakes, and just before the Specialty, we invite our Berner  
veterans and their favourite humans into the ring to be recognized and celebrated!

Please don't leave them at home, bring them to our specialty!

Fill out the form below and have it back to Angela by **June 1, 2025**

and let our veterans become the center of our attention

as we celebrate their accomplishments and giggle at their antics!

We also mark the occasion with a small token of affection for you and your wonderful Berner.

Please email this completed form (one page please) to Angela MacDonald at
